RESPONSE TO NON-FINAL OFFICE ACTION

Sir:

In response to the Non-Final Office Action dated February 7, 2005, and in accordance with the personal interview courteously granted to Applicants' representative on April 19, 2005, please amend the above-identified patent application as follows:

present invention solved this problem. In light of the foregoing objective evidence, Applicants respectfully submit that the present claims are not obvious in light of the prior art of record. For at least these reasons, the rejections using the combination of Jones in view of Sloane and Jones in view Willman and further in view of Sloane are improper. Claims 1 to 32, 37 to 83, and 88 to 94 are all patentably distinguished over Jones in view of Sloane and Jones in view Willman and further in view of Sloane.

For all of the reasons provided above, Applicant respectfully requests the rejections be withdrawn, and Applicant submits that Claims 1 to 32, 37 to 83, and 88 to 94 are in condition for allowance.

An earnest endeavor has been made to place this application in condition for formal allowance and in the absence of more pertinent art such action is courteously solicited. If the Examiner has any questions regarding this Response, Applicant respectfully requests that the Examiner contact the undersigned to discuss this Response.

Respectfully submitted,
